Hosting Uptime Guarantee

What is your uptime guarantee?

We like to think our services are rock solid and we put our money where our mouth is with our 99.9% uptime guarantee. If your service experiences network/infrastructure downtime that isn't related to:

- Planned or critical maintenance;
- A Distributed Denial of Service (DDoS) attacks;
- Installation of software, by the customer, that breaks the Server's OS in some way;
- Software related issues (e.g. a PHP / Apache / Litespeed upgrade breaking an out of date site or Security Software [Mod_security, Firewalls etc] blocking access;

then we will offer a credit for the downtime experienced once we've investigated!

What is the service credit offered?

When eligible, the service credit offered is calculated as a percentage of your monthly cost for the impacted service. The breakdown is as follows:

Availability	Monthly Downtime	Credit Offered
99.90%	0h 44m	0%
99.50%	3h 39m	5%
99.00%	7h 18m	10%
98.00%	14h 36m	20%
97.00% and below	21h 54m	30%

How do I obtain a credit?

Usually after a major network outage we issue a 'Full Incident Report' to impacted customers and advise them they are eligible for a credit. We always work with our customers for the best possible outcome however, approval of the credit is at the sole discretion of Zynke Pty Ltd dependent upon the justification and investigation provided. Please note that uptime/downtime is defined by our monitoring services and no third-party services installed or utilised by customers is considered the source of truth. Free or trial services are also excluded from this SLA guarantee.

If you believe you are eligible for a service credit please submit a request via hosting@zynke.com.au.

If the complaint is not clearly covered by a law we will initiate the following process:

(a) If the complaint is about content:

We will record the detail of the complaint and discuss it with you in an attempt to resolve the issues to the satisfaction of the complainant.

If that is unsuccessful we will give your contact details to the complainant so that the issues can be discussed directly with you (we will comply with our Privacy Policy in this regard).

If that is unsuccessful we will advise the complainant of their right to lodge a formal complaint with the Australian Broadcasting Authority.

Depending on the outcome of the process to this point, we reserve the right to make a final decision (which may involve suspension or termination of your service) that will bind you as the customer.

(b) If the complaint is about service interference

We will investigate the allegations and attempt to resolve the matter. If our service is seriously compromised we may choose to suspend your service immediately pending an investigation.

Our decision in regards to service interference will be final. It may involve suspension or termination of your service.

Liabilities and indemnities

We will not be liable for any loss of benefit you might incur if we suspend or terminate your account under the terms of this AUP where:

- you have breached the terms of this AUP;
- we are required to do so by law;
- we are directed to do so by the ABA under a takedown notice in accordance with its obligations under the Broadcasting Services Amendment (Online Services) Act in 1999 (as amended).
- we acted reasonably in exceptional circumstances; or
- we are not able to reach a mutually acceptable outcome.

You agree to indemnify Zynke Pty Ltd against any claim a user or another customer might make as a result of any loss of benefit or damages they incur as a result of a breach of this AUP.

It is an unfortunate fact that any business, anywhere in the world will at some point deal with a customer who feels they are not getting a satisfactory response to a question they have asked, or believe they are not getting what they paid for.

In order to assist our customers, and to ensure that our customers always receive the highest level of customer service, we have created this policy which outlines what a customer should expect from Zynke Pty Ltd, and what Zynke Pty Ltd expects from its customers.
